PROFESSIONAL EXPERIENCE

EFG Asset Management

San Francisco, CA

Analyst | Four-member investment team (~\$1B AUM)

August 2021 – Present

- Long-only equities analyst covering Financial, Energy, and Healthcare stocks across the market cap spectrum
- Primary coverage includes Insurance, Brokerages, Banks, Consumer Finance, Exchanges/Data, Upstream/Midstream/Downstream
- Spearhead research in space, nuclear, and other frontier sectors; create market maps to identify opportunities
- Attend industry conferences, meet with management teams, and interpret industry journals on leading technologies/developments
- Actively propose add/exit investment recommendations, conduct routine analysis of position sizing, and tracking of risks/catalysts
- Track sector and stock-specific newsflow, build/maintain financial models, identify sector dispersion, and monitor exposures
- Create & maintain equity screens to source investments, summarize industries, and generate ideas
- Manage and mentor interns across research & operations; primary liaison for feedback/training on behalf of senior management

Shelter Insurance Companies

Columbia, MO

Investments Analyst | Equities

December 2019 – July 2021

- Collaborated with team of 4 people to develop and execute investment plan of public equities portfolio with over \$400M AUM
- Leveraged Excel “power user” capabilities to build earnings & financial models with integrated API data and risk/return analysis
- Pitched holdings worth >\$12,000,000 with several valuation methodologies including DCF, DDM, and comparable companies
- Long-only “Quality” investor – stock recommendations averaged 20% return in 2020 through in-depth fundamental equity research
- Met with PE investment managers, conducted due diligence prior to fund/coinvestment commitments, and executed agreements

Allen Angel Capital Education Fund

University of Missouri

Undergraduate Analyst

May 2020 – May 2021

- Member of \$700K Venture Capital fund with \$200K in dry powder specializing in Pre-Seed through Series-A financing
- Evaluated early-stage companies by working directly with company leadership, attending roadshows, and joining investor networks
- Conducted market research to source deal flow, understand industry trends, and form investment recommendations
- Led \$50,000 Series-A investment in a \$1M AgTech firm by overseeing due diligence process and distilling technical information

TD Ameritrade

Saint Louis, MO

Investor Services Intern

May 2019 – August 2019

- Captained team of six interns to win firm-wide competition with a problem-solving presentation to firm senior leadership indicated to save millions from fraud and increase firm efficiency
- Led in New Sales Commitments to drive over \$400,000 of commitments in less than ten full days via friendly client relationships
- Instructed and advised clients on accessing their accounts, positions, balances, and current market conditions
